

## ‘Take a Titanic Leap!’

Dear Supporter

Firstly, thank you for enquiring about our brand new and exciting event **‘Take a Titanic Leap!’** This ‘first time’ event for Northern Ireland will take place on **Saturday 13<sup>th</sup> March 2010** at **Titanic’s Dock & Pump-House located at the Northern Ireland Science Park in Belfast.**

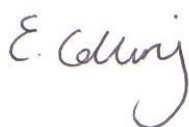

Meningitis Research Foundation has joined forces with Habitat for Humanity Northern Ireland in order to bring YOU this exclusive and extremely exhilarating 100ft freefall event.

We are delighted that YOU have decided to join us and raise money for Meningitis Research Foundation. Please find enclosed a registration pack containing registration form, medical declaration and charity information. Please note that sponsorship forms will follow once you have registered for the event. A minimum of **£100** sponsorship is required to take part. In the meantime why not set up a JustGiving page to help get you started and raise some money online? It’s simple and secure. Visit [www.justgiving.com](http://www.justgiving.com) and set up your page today!

**To secure your place please send your £25 registration fee in the form of a cheque made payable to ‘Meningitis Research Foundation’ along with your completed registration and medical declaration to Meningitis Research Foundation, 71 Botanic Avenue, Belfast, BT7 1JL.**

Meningitis Research Foundation fund research to prevent meningitis and septicaemia, improve survival rates and outcomes. We promote education and awareness to reduce death and disability, and give support to people affected.

Kind regards

Emma Collins  
**Fundraising Officer**
