

6 Nations Sweepstake

Create a sweepstake for the 6 nations and add the proceeds to your fundraising total!

Getting ready

- Advertise your sweepstake to friends and family and on social media
- Ask everyone who's taking part to donate (e.g. £5 or £10).
- Randomly allocate each person to a team. If you have more than 6 people, allocate more than 1 to each. You could take names out of a hat or use a random name generator.
- Organise prizes for the winner(s). Contact local businesses to see if they can donate prizes.
- Invite everyone to watch the final together. Set up a big screen/secure a venue (can you ask for the venue for free?)

On the day

- Boost your total by selling food and drinks at the watching event. Again, get in contact with local businesses to see if they can donate anything.
- Whoever was allocated the winning team, wins the prize!

Top tip

- If you want to take it to the next level, you can find lots of more complicated sweepstake templates and ideas online - including prizes for correct game predictions etc.
