### Eddy's highlight:

Pub quizzes are a staple fundraiser, one which Eddy took full advantage of! By organizing multiple quizzes both at home and at university, Eddy raised a total of £704.87 from these events alone. (Top tip: you can maximize the amount raised at a pub quiz by incorporating a raffle!)

### Eddy's advice:

“Organising my time to fundraise and study I found actually helped me to stay on top of my work and it shows how much you can do with a bit of commitment and dedication!”
