Church donations	£20.00
TOTAL	£3,292.12

Emma's highlight:

Emma is a fantastic example of someone who really made the most of her networks. She utilized her relationship with her local brownies and girl guides to create her own Kilimanjaro badge, which raised over £500! She also used this connection to organize a cake sale with the brownies, which also raised over £100. Did you used to be a girl guide, brownie, or a scout? Why not see if your old troop would be willing to help you with your fundraising!

Emma's advice:

“Spread the word of your challenge to as many friends and family as you can! Create or make something you can sell for a profit, people you don't know that well will be more willing to support you this way. Take advantage of themes like Christmas and tailor your ideas accordingly!”
