

Our **top tips** for success

We've listened to our star fundraisers and to help you make the most of your fundraising we've put together our checklist of top tips.

Plan

Create a plan before you start

Focus on the goal

Remember why you are fundraising and let others know

Make the most of online fundraising

The quick and easy way to collect sponsorship

Boost your total with some small events

We can show how a little effort can have big results

Get friends, family and colleagues involved

Spread the load by getting others to help you out

Order your free resources

T-shirts, balloons, posters and more to make your event a success

Make the most of free donations

Gift Aid and matched funding can boost your total, make sure you know how

Shout about what you're doing.

Use social media to let the world know how they can help

Say Thank You

Don't forget to thank everyone who donates or helps you along the way
