

## Funding from pharmaceutical companies

MRF receives financial support from a number of pharmaceutical companies who share our aim of preventing people from getting meningitis. The Board of Trustees has a policy that no more than 25% of total income for the year can be received from pharmaceutical companies. These sponsors do not influence the work MRF provides but fund strategically important projects. See attached policy.

### Funding overview

Pharmaceutical Company	Y/E Mar 21 £	Y/E Mar 22 £	Y/E Mar 23 £
GSK	130,000	125,000	167,000
