### Natalia’s highlight:

Natalia truly made the most of the opportunities that MRF offered her; attending LOTS of street collections, taking part in the student raffle, and going to London Loot. Overall, she raised over £1,200 just from the fundraising opportunities that MRF provided, showing that you would be a fool not to make the most of these amazing opportunities!

### Natalia’s advice:

“Make sure you make the most of bucket shakes! Show up to as many as you can, wear the brightest fancy dress you own and smile! If you give it all you've got, you can easily reach half of your fundraising target, if not more, just off bucket shakes.”
